REMARKS

It has been noted that the claim listing presented in the Amendment for this application inadvertently failed to include the Article 34 Amendment received by the International Bureau on June 4, 2004. A translation of the Article 34 Amendment was submitted with the request for this national stage filing. Claim 6 has been canceled without prejudice and claim 11 has been amended editorially. No new matter has been added.

This Amendment requires no substantive consideration and entry of the Amendment is requested. The Examiner is invited to contact the undersigned if there are any questions.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicants' primary attorney-of record, Douglas P. Mueller (Reg. No. 30,300), at (612) 455.3804.

Respectfully submitted,
